

Hello to all.

My name is Jerry L. Henderson and my wife's name is Dorothy (Dottie) E (Black) Henderson.

If you would like to follow our work in the Pacific Northwest please click [News Feeds](#) (under Resources) on the left. I will be reporting on the work I am doing with the different congregations. You can visit regularly to read how the work is going, or you can subscribe via email or feed reader to have the updates sent to you.

Dottie is an amateur genealogist and has collected a lot of information about the Henderson family as well as the Black's, Willingham's, Towery's and some other families. Dottie's Family Tree Maker web page is located at Family Tree Maker. For additional information about our children and grandchildren click on the above links.

However, the primary purpose for making this site available is the spreading of the Gospel of Jesus Christ. Jesus said in Matt 28:20,21 *Go ye therefore and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you always, even unto the end of the world.*

Through the means of modern technology, this material can be read and studied over the whole world. So, in an effort to reach as many people as possible, I offer the following articles and sermons. If you have any questions or comments regarding this material your may write to me at
